Lehighon Ambulance Association is an independent non-profit organization. Just like other emergency service providers such as fire departments, we rely on donations and subscriptions from the community. As such, your donation is very important to us. Your donation will help insure that our life saving team can provide state of the art pre-hospital care and medicine when you or your family members need it most. We greatly appreciate, any donation that you wish to make towards your local ambulance service,

*Together, we
can make a
difference in
Carbon
County!*

Your Entire Donation is Tax Deductible !

Donations enable Lehighon Ambulance Association to purchase and maintain medical equipment, train our Emergency Medical Technicians and Paramedics, cover building expenses and staff the paramedic units at each of our four stations in Jim Thorpe, Lehighon, Penn Forest, and Summit Hill.

Lehighon Ambulance Association acknowledges area organizations and businesses for their donations. A list of organizations and businesses that make donations to Lehighon Ambulance Association in the amount of \$25.00 or more during 2017 can be viewed on our website at:
