Do you know that Carbon County does NOT provide emergency ambulance service to its residents?

Residents must rely on an independent ambulance service for its emergency care. In your area, this service is provided by **Leighton Ambulance Association.**

Leighton Ambulance Association is a **non-profit** organization and relies on your support to ensure that our life saving team can give state of the art care when you or your family members need it most.

How can you avoid high out of pocket expenses, when emergency ambulance service bills can exceed \$800.00?

Subscribe to Leighton Ambulance!

As a subscriber the plan will pay any unpaid balance for emergency services rendered by **Leighton Ambulance Association.** Deductibles and co-pays will be forgiven as allowed by law. If the subscriber submits verification of no insurance coverage, the plan will pay the entire amount.

What if I don't subscribe to Leighton Ambulance Association?

Non Subscribers are fully responsible for the entire amount of the ambulance bill not covered by insurance.

Please be assured that **Leighton Ambulance Association** will always respond to an emergency call whether you are a subscriber or not.

Leighton Ambulance Association will bill Medicare, Medicaid and commercial insurance companies for services provided. The subscriber agrees to cooperate with claim submission to their provider.
